Greater Noida, Uttar Pradesh -201310, India

Education

- **GL Bajaj Institute of Technology and Management** 2022-2026
B.Tech(CSE) Greater Noida, India
◦ CGPA: 7.0/10.00
- **R.L.B Memorial School** 2022
Senior Secondary Education Lucknow, India
◦ Grade: 85.3%
- **R.L.B Memorial School** 2020
Secondary Education Lucknow, India
◦ Grade: 75%

Technical Skills

- **Programming Languages:** C, Java, Python, C++
- **Web Technologies:** HTML, CSS, JavaScript
- **Database Systems:** MySQL
- **DevOps & Version Control:** Github
- **AI Technology:** AI/ML, Blockchain

Interpersonal Skills

- **Idea Presentation:** Presented innovative tech ideas to a panel of judges during multiple technical events.
- **Adaptability:** Quickly learned and applied new technologies like Github.
- **Time Management:** Managed multiple projects, certifications, and academics efficiently.

Projects

- **Project A: AI Chat Assistant**
Tools: [HTML, Groq/Serp SDK, Python, Node.js, RichLibrary, M.L, Cohere AISDK, Prompt Engineering Tools]
◦ Description: Developed a Python-based AI assistant using Cohere for natural language classification and task routing. Integrated real-time search capabilities for weather, time, news, and YouTube using APIs. Designed to categorize queries into functional commands, enabling dynamic automation of tasks opening apps,
- **Project B: GPTCOIN**
Tools: [Uniswap.io, Solana CLI, Phantom Wallet, Explorer & DevTools]
◦ Description: Created a decentralized crypto token on the Solana blockchain using Rust and the SPL Token standard. Designed for fast, low-cost transactions and DeFi integration. Implemented secure smart contracts, tokenomics, and wallet compatibility. Ideal for scalable apps, trading, and real-time blockchain applications within the Solana.

Certifications

- Completed Introduction to Cybersecurity course from Cisco Networking Academic program. 2025
- Completed AWS Virtual Internship from AICTE. 2023
- Completed Introduction to Python course from Cisco Networking Academic program. 2025

Co-Curricular Activities

- Attended webinars and tech talks on AI, Cloud Computing, Web Development by industry experts.
